*Hall***Coffee break**

18.20 — 20.00

Dissection Room - Expert corner: choose an expert and ask to solve your doubts!

[Felice Galluccio MD](#), [Mario Fajardo Pérez MD](#), [Abdallah El-Sayed Allam MD](#), [Álvaro García Martos MD](#), [Francesco Perdisa MD](#), [Francesco Porta MD](#), [Andrea Tognù MD](#)

DAY 2

16 MAY 2020

07.45 — 08.00

Hall - Registration & Breakfast

08.00 — 08.30

Multimedia Room - Kidney biopsy: indications, contraindications and importance in rheumatic diseases.[Jesus Isidoro García Gonzales MD](#)

08.30 — 09.30

Dissection room - Rotation 1

Sonoanatomy and Procedure of the spine and sacroiliac region

09.30 — 10.30

Dissection room - Rotation 2

Sonoanatomy and Procedure of the spine and sacroiliac region

10.30 — 11.30

Dissection room - Rotation 3

Sonoanatomy and Procedure of the spine and sacroiliac region

11.30 — 11.45

Hall - Coffee break

11.45 — 12.45

Dissection room - Rotation 4

Sonoanatomy and Procedure of the spine and sacroiliac region

12.45 — 13.45

Dissection room - Rotation 5

Sonoanatomy and Procedure of the spine and sacroiliac region

08.30 — 13.45

Dissection room - Expert corner on articular pathology: ask to the expert to solve your doubt![Francesco Porta MD](#)

13.45 — 14.45

Hall - Lunch

15.00 — 16.00

Dissection room - Rotation 1

Special stations

16.00 — 17.00

Dissection room - Rotation 2

Special stations

17.00 — 18.00

Dissection room - Rotation 3

Special stations

18.00 — 19.00

Dissection room - Rotation 4

Special stations

19.00 — 20.00

Dissection room - Rotation 5

Special stations

15.00 — 20.00

*Dissection room***Expert corner on lumbar spine: ask to the expert to solve your doubt!**[Andrea Tognù MD](#)

DAY 1

15 MAY 2020

Station 1*Dissection Room - Shoulder*Felice Galluccio MD, Mario Fajardo Pérez MD**Station 2***Dissection Room - Elbow*Abdallah El-Sayed Allam MD, Álvaro García Martos MD**Station 3***Dissection Room - Wrist and Hand*Álvaro García Martos MD, Abdallah El-Sayed Allam MD**Station 4***Dissection Room - Hip*Mario Fajardo Pérez MD, Felice Galluccio MD**Station 5***Dissection Room - Knee*Francesco Porta MD, Andrea Tognù MD**Station 6***Dissection Room - Ankle and foot*Andrea Tognù MD, Francesco Porta MD**DAY 2**

16 MAY 2020

Station 1*Dissection Room - Cervical spine and occipital nerves*Mario Fajardo Pérez MD**Station 2***Dissection Room - Dorsal spine*Andrea Tognù MD**Station 3***Dissection Room - Anterior chest wall and clavícula*Felice Galluccio MD**Station 4***Dissection Room - Lumbar spine*Abdallah El-Sayed Allam MD**Station 5***Dissection Room - Sacroiliac and gluteal region*Álvaro García Martos MD**Special Station 1***Dissection Room - Kidney biopsy*Jesus Isidoro García Gonzales MD**Special Station 2***Dissection Room - Synovial, muscular and soft tissues mass biopsy*Felice Galluccio MD**Special Station 3***Dissection Room - Carpal and tarsal tunnel interventions*Mario Fajardo Pérez MD**Special Station 4***Dissection Room - Trigger fingers, Dupuytren and botox injections for Raynaud*Abdallah El-Sayed Allam MD**Special Station 5***Dissection Room - Calcifications and knee lavage*Álvaro García Martos MD
